IMPACT LANSING is in it's 9th year of serving the Greater Lansing community. For one week, students from all over our city will come together to impact our city - serving our community in many different ways. Projects will include working at the food bank, local shelters and soup kitchens, group homes and community gardens; as well as engaging in random acts of kindness...and much more.

What's Different about Impact Lansing? It is half mission trip - half summer camp. Each day consists of; serving in the morning, group games and competitions in the afternoon, and powerful worship services in the evening.
