

Becoming LivingProof– MT 102

The mission of the Christian is the Great Commission. How do we successfully accomplish God's objective for us in our neighborhood, at work, and among our families? Part of the answer involves prayer, building relationships, and working with the body of Christ. Grow your passion and compassion for people separated from Christ while learning an effective means for gaining influence in their lives to expose them to the gospel. The video-based curriculum is stimulating and encouraging for becoming a fruitful laborer in God's ripe harvest field.

Topics include:

1. We are called to be like Jesus in a constantly changing culture
2. Being committed to serving Jesus allows believers to participate in God's work in the lives of people
3. Listening well and asking good questions are key skills to being connecting with people
4. God is at work around us
5. Sharing Jesus is a process of helping an individual make Mini-Decisions
6. Don't rush the process!
7. You are the tailor-made Ambassador to reach those in your sphere of influence
8. As you listen to people's stories you will find areas of Common Ground
9. As Christ's fellow-worker, people are reading your life
10. Raising the flag and sharing Faith Stories leverages rapport and creates spiritual curiosity
11. The Spirit of God and the Word of God are the "heavy hitters"
12. Sharing Jesus is one continuous adventure
