

Rare Leadership – SF 250

Remain relational, Act like yourself, Return to joy, Endure hardships well

Although originally designed for ministry environments, this book was found to have much broader applications in business, corporations, and personal and family relations. You will learn to unite Biblical principles that work with brain science from UCLA which are consistent with how God designed our brains. Rare Leadership is in contrast to principles found so often today in these areas as society moves more and more to a secular worldview. Marcus Warner will teach us with a series of DVDs. This will be followed by real life examples and teaching in the applications to areas of business, ministry, and family follow by live testimonies. This is facilitated by Marilyn Hallgren, biblical counselor, and Rob Krueger, CEO of Wieland Corp.

Rare Leadership will equip you to:

- Cultivate emotional maturity in yourself and others
- Develop the four habits of R.A.R.E leaders
- Promote a strong group identity
- Keep relationships bigger than problems
- Increase productivity through trust, joy, and engagement

Marcus Warner, D.
