

2020 ULTIMATE SCAVENGER HUNT

RULES:

1. Once you receive the list of items, you may start working on it. You do not have to complete the entire list to qualify. Each item will be assigned a certain number of points. The person who gathers the most points will win.
2. **Every picture/video must include you in it** (unless specified otherwise).
3. If you have siblings in middle or high school, you can work on this together! Share the process, share the prize.
4. To submit your scavenger hunt, you must put all your pictures into a PowerPoint presentation and label each picture with the corresponding number from the list. Don't make us guess which picture goes with which item from the list. You won't get points for any pictures that aren't labeled.
5. You will receive access to the list on **Sunday, November 29** and will have 4 days to work on this! All presentations must be submitted to Jessica at jdoerr@southlife.org by 11:59 PM on **Wednesday, December 2, 2020**. Any late submissions will not be counted! If you're planning on being a procrastinator and submitting it last minute, I will check the time stamp of the email from *when it shows up in my inbox*.
6. All submitted presentations will be judged by a committee. They will decide if each picture has met the provided criteria and points will be tallied.
7. On **Friday, December 4 at 7:30 PM**, we will have a group Zoom meeting for everyone who participated where the winners will be announced, and their presentation put on display!

Remember: you need to take a picture doing the action requested, with the item, or with the finished result as specified! **You must be in every picture to receive the points!** You do not need to finish everything on this list to qualify. It's long and meant to make you choose.

Have fun! Include your family! Some of the items will be things you have to leave the house to do. Make a family field trip out of it! We will be sure to share some of the fun pictures submitted by everyone via our socials and our weekly email!

If you have any questions, email Jessica or text her at (517)290-8483.
