» GIVING

There are many ways you can continue to give. You can set up an automatic check mailing with your bank, or send a check directly to the church through regular postal mail:

South Church
5250 Cornerstone Dr.
Lansing, MI 48917

You can also give online through the website. Simply go to www.southlife.org/giving and you can set up regular donations or give a one-time gift. Note that all funds sent to us will be charged a service fee by PNC bank. PNC takes this percentage out of your tithe or offering - usually around 2%.

» MINISTRY UPDATES

Children's Ministry - We want you to keep up with The Gospel Project lessons! Parents can download the Lifeway Kids app for weekly Bible lesson videos. Most up-to-date information will always be posted on the website at www.southlife.org/ministries/children and on the South Church Children's Ministry Facebook group.

Awana - We are authorizing parents to sign sections in their child's Awana books. Keep discovering God's truth together. Questions? Email or call Kathy Risch in the office.

Jr. High - Daily devotionals for the week will be posted every Monday on the South Church Jr. High Ministry facebook page. A teaching video will be posted every Wednesday for students and parents to watch together and discuss. You can access both of these things by visiting www.southlife.org/middle-school-ministry-sessions.

Sr. High - You've got some time on your hands - why not write to one of our seniors here at South? If you're interested in sending a note to a senior adult, email Jessica at jdoerr@southlife.org. Keep an eye out for communication from Nick - he'll be doing group online game times throughout the week.

Women's Ministry - An offer from Lifeway Publishing: For a limited time you can access past online Bible studies wherever you are. That means you get free access to the teaching videos until June 18, 2020! Just grab a Bible study book to follow along. Plus, from now until March 31, get the accompanying eBooks for just \$5 each. Access studies here: <https://lifewaywomen.com/online-bible-studies/> and access \$5 books here: www.lifeway.com/en/shop/books/ebooks.
