Note from Pastor Corb

What is “allegory”? It is a story, poem, or picture that can be interpreted to reveal a hidden meaning, typically a moral, spiritual, or political one. This story presented tonight is filled with allegory.

Often disguised as something that would help him, evil engages with Christian along his journey to the Celestial City. As you walk with him you’ll begin to identify today’s many common flaws and religious pitfalls. These are presented by characters such as Pliable, who is pulled by the strongest opinions, or Lady Formality, who is only concerned with outward appearances. Each character represented in this allegory is intentionally and profoundly accurate in its depiction of what we see all around us, and unfortunately, what we too often see in ourselves. But while Christian is injured and nearly killed, he eventually prevails to the end. In real life, so can you.

May this presentation challenge and encourage you on your journey toward home. “The path is straight. The path is narrow. Stay on it!” Maybe you will hear something tonight that stirs your heart for life change. If this is you, there will be prayer partners available after the presentation to listen and pray with you. Today could be the day that you surrender your burden and begin your journey with the King.

We plan to strike the Pilgrim set after the last Sunday Night Presentation. Monday, 10/20 will also be a set strike day.

Please help us if you can.

Thank you!
