

Life Explored – SF 102

Pastors Tim Van Loh and Joel Wayner
Fireside Room / No cost

Life Explored answers the question, “What’s the best gift God could give you?” Over seven sessions, you will discover what you’re really living for and how, in Christ, God meets our deepest desires for happiness.

Christian Faithfulness in a Strange New World – SF 103 (New)

Pastors Doug Phillips and Keith Sova
Room: Chapel / No cost

Modern Western culture is awash in issues related to ‘identity’—in fact today it seems every aspect of life is related to personal identity (sexual, political, racial, etc.). Many are calling it a cultural (and sexual) revolution. So how do individual believers and churches together live in Biblical faithfulness in this ‘strange new world’? In this course we will explore the societal trends that have led us to where we are today, and we will examine them in light of the perspectives of Scripture, as we aspire to be “blameless and pure, children of God without fault in a warped and crooked generation...holding fast to the word of life” (Phil. 2:15-16).

Technology in the Light of the Gospel - SF 130

Pastor Nick Nagy and Jeremy Rook
Room 205/ \$10

Technology changes faster than any other facet of everyday life. We are expected to not just keep up with it but embrace it and use it. We also serve a God whose Word and truth remains the same. How do we embrace absolute truth in a constantly changing culture? How does your understanding of your faith influence your understanding of technology? If our hearts and lives have been transformed by the gospel, shouldn't our use of technology look different too? Join us as we consider these topics together!

Living Free in Christ - SF 210

Bill Patrick
Zoom only/ \$5

Living Free in Christ is designed to help every Christian become a fruitful disciple and make their life count. Our focus will be what we believe, not so much how we behave. Because when we get that right, our behavior will follow. Jesus said, it is when we know the truth, that we will be set free (John 8:32). Several opportunities will be provided each evening to enhance learning and application through discussions in small groups.

Welcome to equippers

Ephesians 4:11-12 “And he gave the apostles, the prophets, the evangelists, the pastors and teachers, **to equip the saints for the work of ministry**, for building up the body of Christ...”

Are you equipped for Christian life and ministry? Whether new to the faith or a seasoned believer, we all need to be continually equipped for ministry, which is why we organize the “Equippers” series each year.

The authentic for Christian life is an integration of knowing, being, and doing, which is why the Equippers courses are divided into the three content areas described below. Please take time to explore the courses and register today at Register at www.southlife.org/equippers.

Bible/Theology (BT) courses will focus on **knowing** God through His Word – the Bible. These courses will **equip you to know** God more deeply as you study His Word.

Spiritual Formation (SF) courses will focus on **being** a more mature follower of Christ. These courses will **equip you to be** more confident and consistent in living the Christian life as you are led by God's Word and Spirit.

Ministry Training (MT) courses will focus on **doing** the works of service which God has planned for you. These courses will **equip you to do** the ministry activities which are commanded in His Word.

How to Study the Bible – BT 201

David Seal
Room: 206 / Cost: \$17

This course is a combination of our How to Study the Bible and Growth Groups courses. It is a workshop-style course aimed at helping people understand and apply the text of Scripture in their own lives and communicate it to others in one-on-one and group settings. This group is open to anyone interested in learning how to better understand the Bible and share it with others. It is not limited to those interested in or already leading groups.

The Ways of the Alongsider – MT 101 (New)

Pastor Travis Parks
Room: 201 / Cost: \$15

Have you wanted to help another Christian grow in their faith but you didn't know where to begin? Do you feel scared or ill-equipped to read the Bible with a younger believer? Are you unsure what it would look like to disciple another person?

In “The Ways of the Alongsider,” we will learn how to love, pray for, read God's Word and walk alongside another believer in order to intentionally help them grow in Christ. This will be an interactive course with weekly assignments from a workbook that will equip us to help others.

The Dynamic Impact of One-to-One Ministry – MT 201

Pastor Neil Odgers and Trevor Harrison
Room: 204 / Cost: \$5

In this course we will look at truths that provide a foundation for a lifelong healthy walk with the Lord. This course will train you on a personal level to be a part of the exciting process of grounding a new believer in God's transforming work and making a forever change in an individual's life.

This course isn't about taking someone through a program or simply learning some spiritual truths and facts. It's about being in the front lines and walking alongside a new believer as they learn about growing in their relationship with Christ and how God wants to use them in His Kingdom purposes.

God's Heart for the Nations – MT 202 (New)

Roger & Melissa Gray
Room: 119 / Cost: \$10

We will go through the book “God's Heart for the Nations”. This book will take you from Genesis to Revelation in order to see the connection between two critically important themes that are woven together throughout Scripture—God's glory, his heart, and his purpose.

Women's Discipleship Training – MT 310 (New)

South Women's Discipleship Training will help you gain confidence in your knowledge of scripture, better equipping you to come alongside those God brings into your life. It is our prayer that we will build a community of women with the confidence and ability to disciple others through biblically solid teaching, encouragement, and mentoring.
