

Kingdom Rock Choir "Three Wee Kings" Fall 2021 Calendar

Kingdom Rock Choir generally meets weekly from 6 p.m. to 7:15 during the evening service with some exceptions noted below. Those with speaking parts or dance groups will need to come to early rehearsals as noted. In the event that this calendar needs to be modified or rehearsal is canceled, we will communicate through e-mail and the South Church Children's Ministry Facebook group. For this special musical, we will need special help with costumes as every child will be dressed as something in a nativity scene. Costumes should be simple and homemade-y. We will give instructions in the coming weeks based on what part your child is assigned.

Kingdom Rock Choir Expectations: Please Read Carefully

What you can expect:

Kingdom Rock Choir is for 3rd to 6th graders, and meets most Sunday nights during the evening service. Our primary purpose is to inspire kids to do what we were put on earth to do: to bring glory to God. In our rehearsals, we worship the Lord primarily through music! We believe what Colossians 3:16 says, that the songs we sing are a way to let God's word "dwell in us richly." We have devotions each week that are typically connected to the lyrics of the songs we are singing, so that by the time the kids perform, they understand what they are singing about and the truths of God are hidden in their hearts! We also want to provide a fun, safe, connected environment for the kids to have fellowship with each other. Also, our performances are a way for the kids to share God's word with others. It is our goal for choir members to invite friends and family members to watch them perform, especially those who may not have heard the gospel.

We encourage every child to audition for parts! Every child who auditions will be a part of the chorus and will sing and do choreography throughout the program. The directors will assign solos and speaking parts. We appreciate your understanding as there are typically more kids than special parts, and though we do our best to give everyone an extra moment to shine, it is not possible to accommodate everyone into the part they want. Parts are assigned as best we can based on *faithfulness*, ability, attitude and behavior. Please encourage your child to remember that the chorus has a huge part that the actors don't always get to do.

What we expect:

We expect kids to faithfully attend weekly rehearsals. If you know in advance that you will not be able to be at a crucial dress rehearsal or performance, please let us know. Your child can still attend choir, but we will not assign them a major speaking part. Believe it or not, we occasionally have kids who rehearse with us weekly and don't show up to perform! We know that scheduling conflicts, family gatherings, and illness happen, but please make rehearsals a priority especially close to performance times.

We expect kids to arrive at the stated call times ON TIME and dressed as we have planned in advance. You will receive instructions in advance for either a costume or for simple

coordinating attire. For rehearsals, we suggest comfortable clothes that aren't too warm because we are constantly moving.

We expect that parents are either in the evening service or that you have given us your location and cell phone number IN CASE of EMERGENCY. Also, we ask that each family decide if your kids are staying in choir until you pick them up or if you want them released to come find you. Because of the age of the kids, we are allowed to let them go to find you at the end of service. Please communicate with us by emailing Carol Felgenhour: carolfelgenhour@yahoo.com, or asking questions on the Children's Ministry Facebook page as you deem appropriate.
