

Learning to Labor – MT 101

- How do you take steps in sharing the gospel with those around you?
- How would you help someone to grow in their walk with Christ?

Crossing the street to our neighbor or the hall to our co-worker has never been easy. We hope this class encourages us all to take steps of faith to move out toward others. Jesus said, *“The harvest is plentiful, but the laborers are few. Therefore, pray earnestly to the Lord of the harvest to send out workers into His harvest.”* (Matthew 9:37-38)

Engaging the Lost with the Gospel

We’ll discuss gospel tools to equip us to take new steps in sharing Christ. Using the “Living Proof” videos...will show us baby steps in being witnesses for Christ in our daily lives.

Helping Others Grow in Christ

Our lives have been impacted by men who’ve invested in us. In [The Master Plan of Evangelism](#), Robert Coleman states, “Men were to be Christ’s method of winning the world to God.” As we work through this book, we’ll discover the joy of laboring and applying Jesus’ strategies in helping others grow in their walk in Christ.

This course is offered for college students and non-college students:)

We invite you to join us as we seek to be used by God in the lives of others!
