

The Dynamic Impact of One-to-One Ministry – MT 201

A KEY STEP TO DEVELOPING DISCIPLES

This course will train you on a personal level to be a part of the exciting process of seeing non-believers coming to Christ, and grounding new believers in God's transforming work and making a forever change in an individual's life.

This course / workshop isn't about taking someone through a program or simply learning some spiritual truths and facts. It's about being in the front lines and walking with non-believers as God uses us as instruments in drawing people to Christ. It is about walking closely alongside a new believer as they learn about growing in their relationship with Christ and how God wants to use them in His Kingdom purposes.

(Living for eternity).

YOU WILL LEARN HOW TO:

- Travel life's journey alongside non-believers and become a close friend and an insider in their life.
- To see God's Hand at work in people's life all around us, and how God uses personal relationships of the authentic Christian's life in His transforming work.
- See yourself as a spiritual parent.
- Help new believers become grounded and begin growing in the Word and help them grow in their personal friendship with God.
- Help people see how God's principles and power affect family, work, and their personal value system.
- Provide accountability, affirmation, teaching, and encouragement.
- Help the seasonal believer see the unexpected blessing and wonder of God multiplying the authentic Christian's life making disciples that will far outlast our time on earth!
