

How to Share Foundations in One-to-One Discipleship – MT 201

A KEY STEP TO DEVELOPING DISCIPLES

This course will train you on a personal level to be a part of the exciting process of grounding a new believer in God's transforming work and making a forever change in an individual's life.

This course isn't about taking someone through a program or simply learning some spiritual truths and facts. It's about being in the front lines and walking alongside a new believer as they learn about growing in their relationship with Christ and how God wants to use them in His Kingdom purposes.

YOU WILL LEARN HOW TO:

- See yourself as a spiritual parent
- Help new believers become grounded and begin growing in the Word, and help them grow in their personal friendship with God
- Help people see how God's principles and power affect family, work, and their personal value system
- Provide accountability, affirmation, teaching, and encouragement

Come join us for the most exciting thing taking place on planet earth— God's grounding and transforming work!
