

Making Disciples – MT 201

- How do you take steps in sharing the gospel with those around you?
- How would you help someone to grow in their walk with Christ?

We hope this class encourages us all to move toward others to help them in their faith. Jesus said, “The harvest is plentiful, but the laborers are few. Therefore, pray earnestly to the Lord of the harvest to send out workers into His harvest.” (Matthew 9:37-38)

Foundations in Making Disciples

God desires to use his followers to help others grow through loving friendship, reading and applying the Word, and prayerful time together. Paul says in 1 Thessalonians 2:8, “So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us.”

Skills in Helping Others to Grow

We will work through *The Ways of the Alongsider* workbook to gain a heart and skills of investing our lives in others through studying God’s Word, asking questions and genuinely loving them. Paul’s charges to Timothy, “and what you have heard from me in the presence of many witnesses entrust to faithful men who will be able to teach others also.” One of the joys of growing in our Christian faith is helping others do the same. Let’s learn together how to walk alongside one another to love God and others for God’s glory!

This course is offered for college students and non-college students:)
We invite you to join us as we seek to be used by God in the lives of others!
