

God's Heart for the Nations – MT 202

This course is designed for those who are interested in developing a better understanding of missions, local or global. It is our prayer that it will equip you with the necessary tools to better engage in your role in the great commission whether as a goer or a sender. This course isn't about taking someone through a program or simply learning some spiritual truths and facts. It's about being in the front lines and walking alongside a new believer as they learn about growing in their relationship with Christ and how God wants to use them in His Kingdom purposes.

We will go through the book "God's Heart for the Nations". This book will take you from Genesis to Revelation in order to see the connection between two critically important themes that are woven together throughout Scripture—God's glory, his heart and his purpose. In this eight-week study, you'll be challenged to consider your role in God's plan of redemption, a plan that involves making disciples among all nations for the glory of God. You will be challenged to encounter the God of the Bible who exists for His own glory and who has chosen us to experience His joy by joining Him in accomplishing His plan on earth.
