WHAT'S THE BEST GIFT
GOD COULD GIVE YOU?

Life Explored – SF 102

Life Explored (LE) is an exposé of the little gods that promise us so much happiness yet deliver so little. As it explores the Bible story (creation, fall, redemption, new creation), LE shows how our deepest desires for happiness can only be satisfied in one person, Jesus Christ. The best gift God can give us is himself. LE provides an outstretched hand to begin discovering what it means to trust in Jesus and equips participants to engage people on themes of purpose, meaning and faith.

Life Explored has been designed to speak powerfully to those who don't consider themselves to be religious and have never read the Bible. But it will also provoke good discussions among followers of Christ, too.
