

## Living Free in Christ – SF 210

Living Free in Christ is designed to help every Christian become a fruitful disciple and make their life count. Our focus will be what we **believe**, not so much how we **behave**. Because when we get that right, our behavior will follow. Jesus said, it is when we know the truth, that we will be set free (John 8:32).

We will learn how becoming a Christian is the defining moment in our lives, how we became brand new people from the inside out; and how that means we can come to God any time we like without fear; how nothing we do can make God love us any more or any less.

We'll find out how we can resolve the effects from even the deepest issues from the past; and how we can deal with repeating patterns of sin.

We'll get to understand what God's purpose is for our life.

Several opportunities will be provided each evening to enhance learning and application through discussions in small groups.

### You will learn to:

- A. Take hold of the truth of exactly what happened when you became a Christian
- B. Resolve personal and spiritual issues that may be holding you back
- C. Be transformed by the renewing of your mind
- D. Make following Jesus a way of life
