**Children's Ministry** - During this time when we can't meet together, parents are encouraged to download the LifeWay Kids app and choose Gospel Project to see each week's Bible lesson video and other resources for teaching your children at home. Go to [www.southlife.org/ministries/children](http://www.southlife.org/ministries/children) for a link to download. Parents, if you are on

the CM FB page, we asked you to complete a survey. If you haven't done that yet, please do so soon - it will be very valuable information for us.
